I have strong organisational skills and attention to detail, with the ability to manage multiple projects and meet tight deadlines in dynamic environments. My background in communication design enables me to create multimedia visual content, including graphics, layouts and basic video outputs, for both digital and print platforms. With experience in branding and social media communication, I develop visual assets aligned with corporate identity guidelines, supporting clear and consistent messaging. I collaborate effectively with cross-functional teams to translate communication needs into engaging visual solutions. Additionally, my visual and photography skills contribute to producing high-quality content, ensuring impactful and coherent communication across channels.

RESIDENCY Available in Turin, currently based in Gallarate (VA)
